

# FEATURE SCREENPLAY \* THEE UNKNOWN GOD

Some believe We are  
One with all there is,  
connected to the spiritual  
realms, forces of Nature,  
animals and are born to  
do good unto others. But,  
when the darkness in our  
world grows too strong,  
what brings those of the  
Oneness, three women  
and a man together, to  
rise up against the  
Roman Empire and  
their God of War?
